Dear Priya,

This is to inform you that I will be resigning from my position as Independent Director on the Board of the Company with immediate effect.

With the re-defined priorities of the Company, the induction of an additional Directors on the board of the company, I believe the timing is appropriate keeping the demands on my time.

It was a pleasure interacting with the KIAF team and my fellow directors for close to 4 years.

Wishing you the very best.

Your sincerely,

Karthik Krishna
